BUSINESSMAN ARE WANTED BY G.O.P. CAMPAIGN HEADS

Hopes for Strong Delegation Running for House and Senate

MANY HATS NOW BEING TOSSED INTO BIG RING

Republicans Leading in Numbers; Lorrin Andrews Gets Into Race

Republican leaders, particularly those on Oahu, are bent on sending to the legislature next spring a strong representation of businessmen. The Oahu delegation is shaping up rather slowly but both in house and senate there are expected to be men who can take a prominent place in handling territorial finances.

Party leaders are now bent on persuading two or three well known Honolulu businessmen to become candidates. If the announcements expected are made, there will be some surprises for the old-time politicians.

Fifth district Republicans are getting busy and a whole shoal of candidates for the house is in prospect from this section of the county of Honolulu. Both the Crawfords—Eli and William H.—are expected to get into the race. Henry Viera is a likely candidate and Eddie Fernandez, who has already served two terms, is a sure entry.

St. C. Anana, who served a term as superior and then almost dropped out of politics, has his eyes on a house place. Ferdinand Schnack, the young attorney, is also understood to be after a Republican nomination. From Windward Oahu comes news that Henry Pahlia will enter the campaign.

Another probable entry of whom the politicians have heard is C. C. James, superintendent of the Pacific Guano & Fertilizer Company, and an active Republican worker for a number of years. Another possibility is Harry A. Franson, cashier of the Honolulu Iron Works.

Saturday was a busy day for candidates, a large number of them filing petitions for nomination.

Lorrin Andrews, Republican, and former chairman of the territorial committee, has joined the lists of political contenders for the coming campaign by filing his petition for nomination as representative.

Nine others—politicians from Maui, Hawaii and Kauai, have tossed their chapeaux into the circle.

One of the features of the recent filing is the fact that B. N. Kahalepuna, clerk in the local circuit court, has backed both a Republican and a Democratic nominee. One paper Ben signs as one of "us," the following members of the Democratic party, and on the other of the Republicans. He smilingly told a reporter Saturday that he is a Progressive at heart. His support is promised for Andrews, Republican, and for Edward K. Lilikala, Democrat.

The list of petitioners to Saturday is as follows:

E. K. Kana, Republican, for nomination as representative from the second district; J. N. Kamoku, Democrat, representative from the second district; Harry S. Rickard, Republican, from Lanipahoehoe, first district; George K. Kawaha, Republican, second district; R. J. K. Nawahine, member of the house last session, Republican, of Waialae; Levi L. Joseph, Kipahulu, former member of the house and a Republican; third district, a Republican; Lorrin Andrews, Republican; James K. Kala, Republican, from Kauai, at present a member of the house of representatives.

ALAMEDA WIDOW BRINGS ACTION AGAINST O. R. & L.

Acting through her attorney, Judge F. L. Weaver, Mrs. Mary Ellen Moore of Alameda, Cal., filed in the federal court Saturday a petition to compel Oahu Railway & Land Company to issue her certificates for 145 shares of stock which she claims rightfully belong to her. At the present rating of the shares, \$160, the value of the shares is approximately \$20,000.

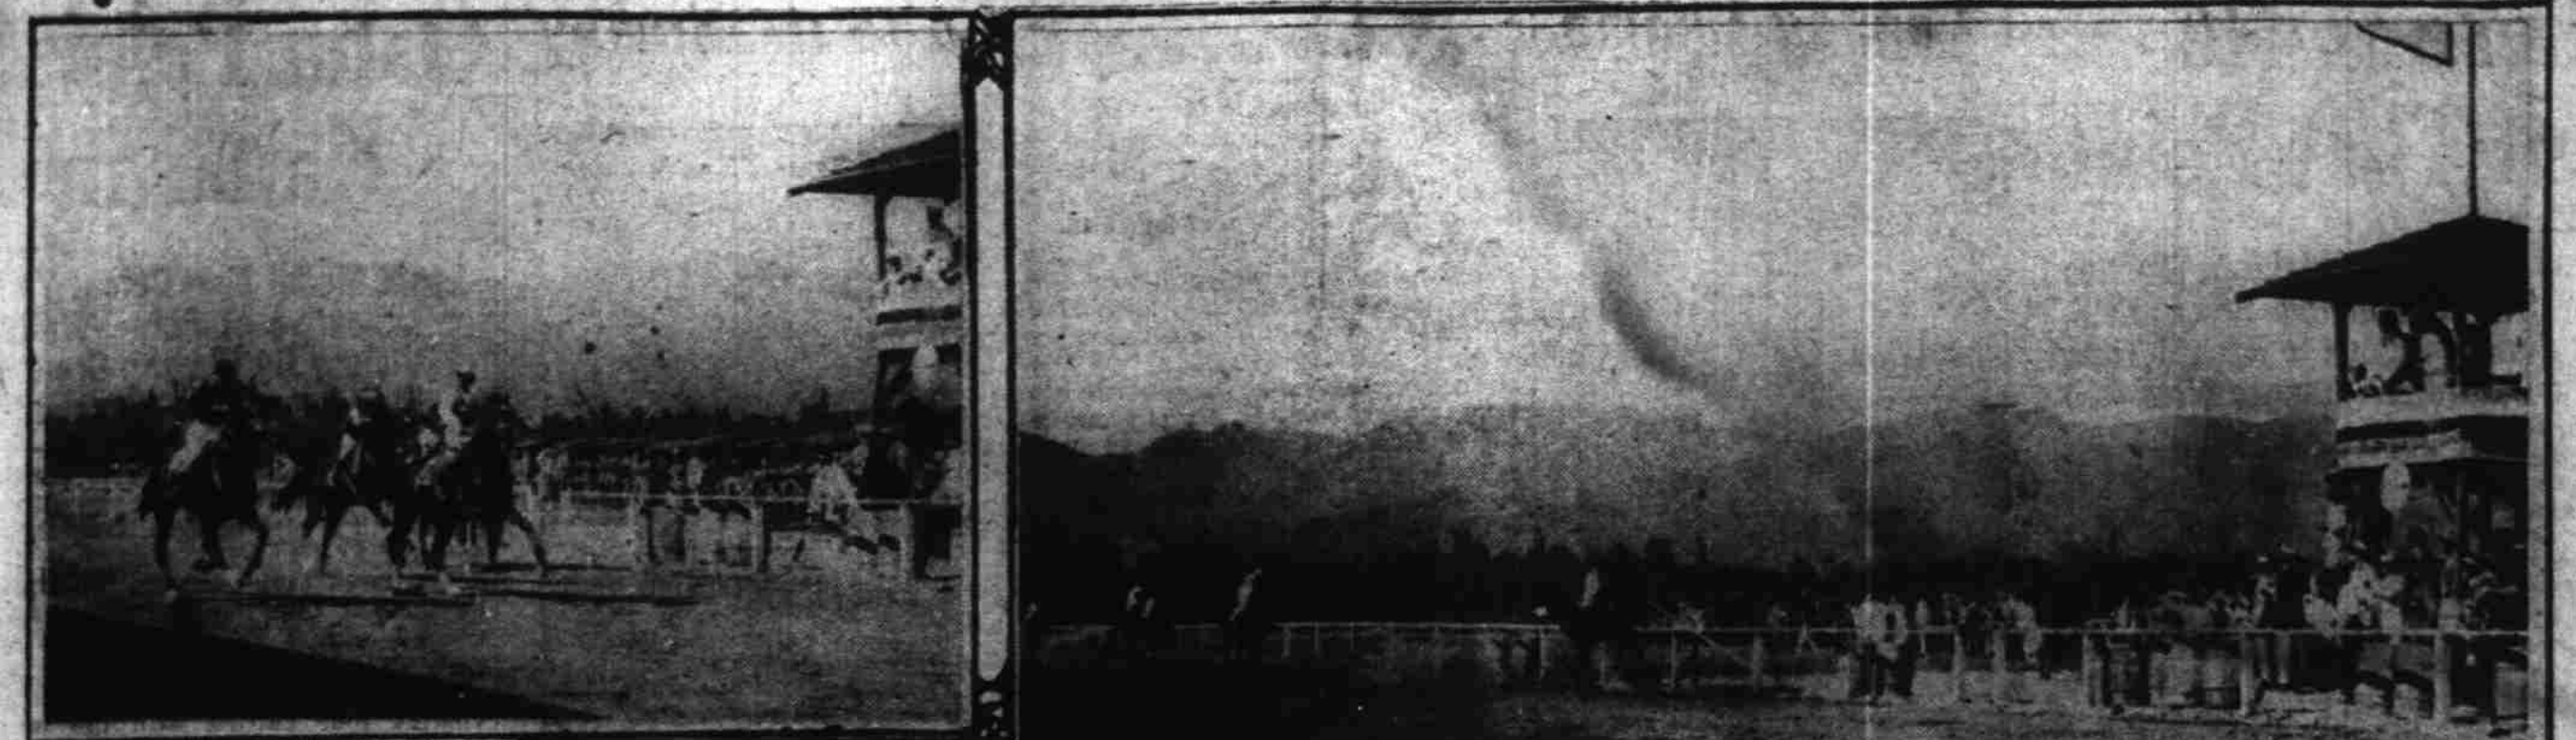

Mrs. Moore declares in her bill of complaint that she is the widow of George A. Moore, who died at Alameda in January of this year, and that furthermore she is the duly appointed executrix of his estate.

During November or early December of 1915, she says, her husband gave her certificates for 145 shares of railway stock, but that only three of the shares were indorsed by him.

After her husband's death, when looking over the certificates, it is said she discovered that the signature was lacking on all but three of them, and on March 3, this year, wrote to the company asking for certificates made out in her name for these three, which represent 30 shares. Later, on May 1, she wrote again asking for certificates on the undorsed shares.

In both cases, according to the complaint, the company refused to grant her request, hence the proceeding begun Saturday.

SATISFAX'S GREAT RACE IN ONEONTA MILE AND SPEEDY POLO THRILL SATURDAY CROWDS AT KAPIOLANI PARK

MRS. GUILFOYLE IS DEAD; MANY FRIENDS MOURN

Wife of Commanding Officer of 4th Cavalry Dies; Was Daughter of Col. Lane

Following a long illness from cancer Mrs. Susan Guilfoyle, wife of Col. John F. Guilfoyle, commanding officer of the 4th Cavalry, Schofield Barracks, died at her home in the cavalry cantonment at Castle Sunday morning about 11 o'clock. Her death has caused sincere sorrow to her many friends on Oahu, as she was loved not only by those of the army who knew her but by her friends in civil life in Honolulu. She had been confined to her home for the last three weeks, and was planning a trip to the mainland to benefit her failing health.

Born at Fort Bliss, Texas, in 1865, Mrs. Guilfoyle was the daughter of Col. William B. Lane, U. S. A., commanding a cavalry regiment stationed at the famous old Texas army post. She was thus an army girl, brought up in the army and remaining in it all her life. Her acquaintance with army people was very extensive, so that her death will be mourned in many places.

Mrs. Guilfoyle had been on Oahu since last fall, having come to Schofield Barracks with Col. Guilfoyle last November, when the colonel arrived here from Douglas, Arizona, where he was commanding officer of the border cavalry forces stationed at Douglas for two years during the troublesome times of the present Mexican situation. Mrs. Guilfoyle was very popular with the army and businessmen of Douglas and her families, and were held in high esteem by all who knew them. News of Mrs. Guilfoyle's death will come as a severe blow to all her friends in Arizona.

There are two children left by Mrs. Guilfoyle, Mrs. Hoyle, wife of 1st Lieut. Rene E. DeL. Hoyle, 1st Field Artillery, Schofield Barracks, and Miss Suzanne Guilfoyle, also living at Schofield.

Col. Guilfoyle and Miss Guilfoyle will accompany the remains to the mainland on the transport Sheridan, which will arrive Wednesday morning from Manila, to sail that afternoon for San Francisco. Mrs. Guilfoyle's body has been embalmed by Undertaker H. H. Williams, and will probably be taken to Arlington National Cemetery, Arlington, Va., for interment. Col. Guilfoyle will return here, having secured a month's leave.

Mrs. Guilfoyle leaves three grandchildren, the children of Lieut. and Mrs. Hoyle.

Satisfax Sets New Mile Record at Park Saturday

Lieut. Hoyle's Grand Little Mare Wins From Oneonta By Three Lengths in Record Time—Wins Oneonta Cup—Frances B First in Six Furlong Event—Rowdy Takes Hurdles Again—Alice Macfarlane Wins Ladies' Race on Kai

Racing has come to stay. That was the consensus of opinion after the first day's events were over on Saturday afternoon at Kapiolani Park. With a program with only two feature races, the crowd turned out in sufficient numbers to fill the stands and bleachers, and there were a number of spectators standing around the track.

At 2 o'clock there were more than 2500 spectators lined around the enclosure. At 3 o'clock there must have been 3800 watching the events. It was a clear day with a fast track, and aside from a few minor details the events were run off in excellent style.

Satisfax Ran Great Mile

The feature event of the day from the standpoint of speed was the victory of Satisfax in the mile. The great little mare was not a favorite at the post, but she was off at the start and was never headed although competing against a strong field. The game little mare raced home to the wire in record time, chalking up a mark of 2:41 4-5, breaking the record held by Oneonta by 1-5 of a second.

Entered in this event were Mohawk Boy, owned by Lieut. E. N. Whiting, Charles Lucas' Harvester, Angus McPhee's Ypres, Walter Dillingham's Oneonta and Satisfax, owned by Lieut. R. D. Hoyle.

Harvester had a bad leg to begin the race, and did not show the speed expected. The horses scored three times, and finally got away to a good start from the wire. Satisfax had the pole, kept the mare well in front at the turn and then Ypres made a bid, but both Satisfax and Oneonta made a race to the back stretch when Mohawk Boy came strong through the field and challenged Oneonta, but Carroll gave the Dillingham entry a good ride and made a fight for the wire, but Satisfax stoutly held the place and raced into the wire a winner by three lengths. Mohawk Boy was third two lengths behind Oneonta. Ypres beat out Harvester for fourth, the latter pulling up lame.

Boost for Racing

Satisfax was the real dark horse at the meeting, and the great showing made by the little mare has been a boom to racing already, and the next entrance of this mare in a mile race will be watched with interest.

Satisfax was trained by Lieut. A. K. C. Palmer, who rode the mare to victory. He used excellent judgment and Satisfax made every post a winning one. Oneonta on one occasion threatened, but Satisfax came strong and proved that her race at the Exposition was no fluke.

Frances B Finishes Strong

In the Queen's Cup for six furlongs J. M. Spalding's Skyscraper went into the lead from the drop of the barrier and was a length ahead of Frances B, but H. A. Baldwin's mare with Rollins up showed plenty of courage and assumed command at the four furlong post to go and score as she pleased. John Resent's Koichi did not get away at the barrier. Copra and Dutch Parrot were scratched.

SATURDAY'S RACE RESULTS IN BRIEF

Ladies' dash, quarter mile—Won by Miss Alice Macfarlane, riding Kai. Second, Miss Gwendolyn von Tempky, riding Betty (entry of Miss Bertha Bates); third, Miss Rosa; fourth, Miss Laura Low. Time, 24 4-5 seconds. Kai took the lead at the barrier and held it all the way.

Copra and Dutch Parrot scratched. Koichi left at the barrier. Skyscraper led for the first two furlongs, but at the four-furlong post Francis B. had a length to the good and came under the wire three lengths ahead and holding up.

FIFTH RACE

Ball and mallet race postponed.

SIXTH RACE

Oneonta Mile—One mile free-for-all. Cup to go to winner if Oneonta's time, 1:42, is beaten. Won by Lieut. Hoyle's Satisfax, Palmer up; second, Mrs. W. F. Dillingham's Oneonta, Carroll up; third, Lieut. Whiting's Mohawk Boy, Dalton up; fourth, Ypres, Donvitz up; fifth, Harvester, Rollins up. Time, 1:41 4-5, breaking track record and winning the Oneonta cup.

SEVENTH RACE

Hurdle race, one and a half miles—Won by Sgt. Belmont's Rowdy; second, Pvt. Dutten's Abe; third, Bugler Cohen's Hans; fourth, Saddler Hoffman's Roxy. Time, 3:08 3-5. A fine race.

DEMAND UNION RECOGNITION OR CALL BIG STRIKE

(Associated Press by Federal Wireles) NEW YORK, N. Y., Sept. 3.—Following a meeting of delegates representing 3000 conductors and motormen of the Interborough Rapid Transit lines, a vote was taken which resulted in a decision of the men to strike unless the officials of the company agree to meet a committee of the union to discuss the grievances of the men.

It was said by a representative of the men that an ultimatum to this effect would be presented to the company not later than Tuesday.

H. A. Dunn, American manager of the Mexican City Railway plant, imprisoned by Carranza authorities since last May, has been provisionally released.

June, lay back in the field for the first mile, and then began a race running around the field, taking the hurdles nicely and passed three horses in the stretch. Abe raced to the front early in the mile and showed good form topping the hurdles. Peggy showed early speed but faltered. Roxy had no bursts. Hans held back for the first mile, but came strong to win fourth place from Roxy. Down the stretch Roxy had no trouble to the wire and won with lengths to spare.

JAPANESE WOULD TAKE CONTROL OF INNER MONGOLIA

(Associated Press by Federal Wireles) PEKING, China, Sept. 4.—The Japanese ambassador, representing the Mikado in China, yesterday presented to the foreign office the full demands of the Japanese government in settlement of the clash between Chinese and Japanese troops at Cheng Ching-Tun on August 13.

The demands are of a sweeping nature, and include the dismissal of all officers commanding troops in the district where the clash took place, withdrawal of all Chinese troops from the district affected, and the granting of Japan full permission to police all of inner Mongolia. The demands also ask for heavy money indemnity for the families of the Japanese who were killed during the outbreak.

Chen Shin Tao, who is acting as minister of foreign affairs, has withheld China's answer to the demand pending a thorough investigation of the occurrence.

WILSON LAUNCHES CAMPAIGN IN NEW JERSEY SPEECH

Republican Party Scored By Bourbon Chief as a "Moral Failure"

(Associated Press by Federal Wireles) LONG BRANCH, N. J., Sept. 3.—Without mentioning Charles E. Hughes, the Republican candidate, by name, Woodrow Wilson, president of the United States and Democratic standard bearer, launched his campaign for reelection here last night in one of the most powerful addresses of his career.

Incidentally he threw down the gauntlet to the "hyphenates" in the United States, declaring that he neither feared their displeasure nor looked for their favor.

To the Republican party he paid his respects in terms that left no doubt of his stand. He called the G. O. P. a "practical and a moral failure," and asserting that it had attempted to hunt with the hounds of "big business" while running with the hares of the general public. He added that the old-time leaders still name the candidates of the Republican party and dictate the party's policies.

HUGHES ATTACKS BOURBON POLICY

(Associated Press by Federal Wireles) KANSAS CITY, Mo., Sept. 2.—Before a gathering that taxed the seating capacity of the huge convention hall of this city, Charles E. Hughes, Republican candidate for the presidency, flailed the Democratic administration because of its "unjust" policy towards the Republic of San Domingo.

"The action of the administration in Haiti," said the speaker, "is inexcusable. Although professing the inviolability of treaty rights and the sovereign rights of smaller states, the government has seen fit to needlessly interfere with the affairs of that country."

RUSSIAN TROOPS IN MANCHURIA FIRED ON BY CHINESE; 2 KILLED

(Associated Press by Federal Wireles) TOKIO, Japan, Sept. 4.—According to a cable dispatch received here yesterday from Mukden, a troop of Chinese soldiers opened fire on a Russian garrison in Manchuria last Saturday. The assault, the dispatch said, was without provocation and resulted in the killing of two Russian soldiers and the wounding of several others.

WILSON EXTENDS TIME LIMIT OF SHIP REGISTRY

(Associated Press by Federal Wireles) WASHINGTON, D. C., Sept. 4.—Hearing representatives of certain large shipping interests who appealed to Acting Secretary of Commerce Sweet, for a delay in putting into effect an order issued shortly after the passage of the emergency shipping act of August, 1914, President Wilson has now issued an executive order extending the date previously set for foreign built ships to come under American registry.

As no time limit was mentioned in the executive order from the White House, it is taken for granted that it will be indefinite or until new conditions arise after the end of the European hostilities or through complications that may arise before the war ends.

WEBB BILL PASSES BY BIG MAJORITY

(Associated Press by Federal Wireles) WASHINGTON, D. C., Sept. 3.—The Webb bill, for promoting the export trade of the United States, passed the house yesterday without an amendment, by a vote of 190 to 25. The bill, which provides for the legality of cooperative associations, will enable American firms to compete with foreign firms which have the assistance of their governments.

PITTSBURG VETERAN NEW CHIEF OF G. A. R.

(Associated Press by Federal Wireles) KANSAS CITY, Mo., Sept. 2.—At the meeting of the annual Grand Army of the Republic encampment, which has been in session here this week, William J. Patterson of Pittsburgh, Pa., was elected commander-in-chief of the organization. Members of visiting posts began to leave for their homes yesterday and general exodus of the old soldiers will be in full swing today following a tour of sight-seeing.
